Advanced Merchant Services is pleased to announce that we have been named the preferred vendor for some 1500+ specialized companies across the United States. This affiliation of contractors has named AMS as their only preferred vendor for Credit Card Processing and for their Check 21 Business solutions. We are delighted to be able to provide business financial solutions for these special companies, and to help them enhance their business and their bottom lines. We welcome the opportunity to serve them with Integrity, Service and by being Different. We feel privileged to have been chosen by them. Thank You, for your confidence in us.
